MT BACHELOR ANNOUNCES SEASONAL JOB FAIR WITH OVER 200 OFFERINGS

Bend, Oregon, October 10, 2007 – Mt Bachelor Resort will host its 2007 seasonal job fair Saturday, October 20th from 10am – 3pm. The event will be located at Mt Bachelor's in-town offices located at 115 SW Columbia Street. With over 200 positions available the job fair will offer opportunities in a variety of departments from Lodge Services to Food & Beverage to Ski Patrol, Instructors and Lift Operations.

Earlier this fall, Mt Bachelor carved out a new position for a Park Terrain Manager. Now the resort will offer new rails and features, plus bi-weekly layout changes rotating among the 4 terrain parks. Award-winning Hames Ellerbe will lead the new department and seeks a brand new team to roll out the program including a Lead Terrain Park Attendant.

Collaborating on the park and grooming efforts will be new jobs in Nordic and Ramp Cat Operation. "We are looking at a great season in the grooming dept. With over 90% of our operators returning from previous seasons here at Mt. Bachelor the new hires are few [less than 4]. Filling these positions with first-rate operators will be vital for our new grooming program. We've have purchased two brand new cats for more grooming and park work and now I'm searching for the candidates that are going to give our customers a Signature run for their money," say's new Grooming Manager, Ryan Gage.

Cary Howard, Tickets Manager states, "I am seeking numerous supervisory, lead and staff applicants who are quick thinking, flexible and able to change focus at a moments notice. Adaptability is key in working at Mt Bachelor."

If you are an indoor snowbird, there are over 40 positions in the Cashier Pool. Cashier Pool Manager Cary Stanfill says, “I will be hiring people that are looking for either full or part time work. If you are looking to meet new people, cashiering is where it’s at. Cashiers work all over the mountain and become a “regular” in many departments. They work in tickets, the ski school desk, rentals, retail, espresso and Food & Beverage. We offer flexible schedules; often times you can choose to stay if you need hours or go out and ski if you don’t, so we are a perfect fit for people ranging from college students to veterans.” Meet her and several other managers for a description of available positions and to schedule interviews.

Other indoor jobs include Scapolo’s Department Team Leader, Commissary Kitchen Team Leader, Restaurant Supervisors, cooks, dishwashers, bussers and a baker. Also among the indoor offerings are in Mt Bachelor Day Care, the Rentals shop and Staff Uniform department.
