Try before you buy, the best way to select your new gear. Gravity Sports @ Mt Bachelor Demo Center offers equipment selected to perform in Northwest snow conditions. Try different sizes and models all in the same day. Switch skis during the day. Try up to three pieces of equipment per day.

Gravity Sports Demo Center has equipment available for rent for a full day or from noon until closing.

Two days rental fees paid may be credited toward new equipment purchased during the current season (one day can be credited toward sale equipment). Not all equipment is available for purchase at all times.

Equipment designed specifically for women is designated by *
